Providing link quality intelligence from physical layer to higher protocol layers  
Broadcom Corporation

Dear Sirs,

In the above-mentioned matter, please find enclosed a communication from the Search Division of the EPO, dated March 19, 2008, together with the European Search Report, as well as the documents cited therein. As per standing general instructions of Broadcom, our firm will take care of any deadlines arising in the above mentioned patent application. Due to that, it is not necessary that your firm is monitoring any deadline such as annuities, request for examination or term for payment of designation fees etc.

Very truly yours,
